

Mural design for the 2006-2007 Community Mural Project at Palisades High School

PROMOTING ARTS IN THE PALISADES COMMUNITY

Celebrating ten years of community service, the **Palisades Community Foundation** is a volunteer organization dedicated to the wellness, education, and cultural enrichment of the youth and community of the five-township Palisades area. In those ten years, we have completed an impressive list of community-focused projects totaling nearly \$1,000,000! Excitement is in the air as we begin our next ten years with a concentration on Arts in Palisades.

One focus of the Foundation this year is to support the Visual Arts by funding the Community Mural Project. This project is an initiative to bring the community together through visual arts by creating murals that will be on display at all five schools in the Palisades School District. The first mural of the project was completed at Palisades High School in the fall of 2006. A mural at Springfield Elementary is currently in progress. Your contribution to the Palisades Community Foundation will help to sponsor current and future projects in the arts.
